Directors' Meeting

The Board of Directors of S.A.D. met in regular session on Monday evening of this week in the Telstar Library.

The Directors approved a "contract of the sale of real estate" that gives S. A. D. 44 an option to purchase a parcel of land on the easterly side of Rumbold Avenue in Woodstock currently owned by Cleo Kerns. The lot would be the site of a proposed new elementary school in Woodstock. The entire project is subject to site approval by the State Board of Education, public hearings on a building concept within the District, approval of a building concept by the State Board, and a referendum for local funding approval.

The Board reviewed staffing proposals for the ensuing school year. The following positions were created and authorization was granted to post the vacancies for the 1982-83 school year: Half-time Kindergarten teacher with assignment to Ethel Bisbee School (District Funds); Teachers Aide assigned to Andover Elementary School (1/2 Title I funds, 1/2 District funds); Teacher Aide assigned to Special Education at Telstar (Federal Special Education funds); Special Education Coordinator/Middle School Counselor (1/2 Federal Special Education funds, 1/2 Title I funds).

RUMFORD ROAD—BETHEL

FROM THE bethel town office

The Board of Selectmen met in special open session Monday evening, June 7. Tom Remington was appointed to a three year term on the Recreation Board and Linda Howe was appointed to a one year term (until the March 1983 Town Meeting) on the Municipal Facilities Committee.

An application for the State Soil and Water Conservation Committee to do a detailed flood plain management study of the Androscoggin within the Bethel limits was approved. Results of this study would be used to significantly reduce flood insurance rates underwritten by various government agencies and to provide baseline data needed to make future private and public development decisions. No monetary costs for the study would accrue to the Town since in-kind payment for the use of Town Office space and records would be used in lieu of cash.

A request from the Town of Hanover in behalf of a Hanover resident for the approval of this property as a sludge site was reviewed and approved in principle. The Board directed the Manager to inform Hanover of its decision and to initiate, in cooperation with the landowner, appropriate requests to the Maine Department of Environmental Protection for a sludge site approval.

The main subject of the meeting was the road grader. The present 24-year-old machine has seen yeoman service both winter and summer, repaving and plowing the Town's 60 miles of roads (72 miles after July 1) since it was purchased, used, in 1965. Voters at the March Town Meeting requested that the Board research all possibilities and report recommendations at a special town meeting.

The conclusions of an extensive examination of the grader issue undertaken in late April and early May, reviewed by the Board on May 17, were that a machine having the same capabilities as the present 24-year-old grader would be sufficient to meet the needs. This prevented the introduction of unrealistic recommendations and simultaneously opened options involving the existing grader. Spec continued on Page Five

TUESDAY VOTER TURN-OUT NOTHING TO BE PROUD OF

Four hundred thirteen voters participated in State Primary balloting in Bethel on Tuesday, approximately 35.5% of the local voters who are enrolled in a political party. Republicans voting totaled 265, about 42.4% of those enrolled; while 37.4% (148) of enrolled Democrats voted.

In Bethel voting, Republicans favored Sherry F. Huber for nomination as governor with 125 votes; followed by Richard H. Pierce, 85; and Charles L. Chagin, 52. In uncontested Republican races David Emery received 243 votes as U. S. Senate nominee; Olympia Snowe, 249, U. S. Congress; Alanson Noble, 216, State Senator; Karen L. Brown, 238, State Representative; William Perkins, 223, County Treasurer. The Republicans had no candidates for Register of Deeds (Eastern), Sheriff, or District Attorney.

In Democratic contests, Joseph Brennan received 108 votes as gubernatorial nominee, and George Berube, 34, for Representative to Congress. James Patrick Dunleavy, 74, and Paul F. Zenzian, 47, for Sheriff. Alton L. Howe, 110, and David F. Martino, 37, in no-contest Democratic voting. George J. Mitchell, 132, U. S. Senate; R. Donald Twitchell, 131, State Senator; Emily Saunders, 136, State Representative; Olive B. Moore, 132, Register of Probate (Eastern District); Janet T. Mills, 136, District Attorney. There was no Democratic candidate for County Treasurer.

In Democratic contests, successful nominees were apparently: Alton L. Howe, Oxford County Sheriff; James Patrick Dunleavy as Member of Congress (Second District); and Joseph Brennan for Governor.

In the statewide Republican contest for the gubernatorial nomination, Charles Cragin was the apparent victor over Sherry Huber and Richard H. Pierce.

HISTORICAL SOCIETY HEARS OF MASON STREET HISTORY

Mason Street, a public way accepted by the town in 1890, and named for Dr. Moses Mason whose house stands at the southerly end of the street, was the featured topic at the monthly meeting of the Bethel Historical Society held Thursday evening, June 3, in the meeting room of the Dr. Moses Mason House. Ernest Perkins, Mason Street resident and volunteer who undertook the Oxford County Historic Resource Survey of the Street, reported some of the information he had gathered. The earliest house was built in the area in 1886 but most of those on the street today were completed in the twentieth century, one as late as 1953. Mr. Perkins' survey seemed to indicate that there had been a surprising amount of stability on the street with most houses having only three or four owners continued on Page Eight

Saturday night Joe Yates, Peggy Blake, Viva Whitman and Go-Shoes attended the Woodstock Alumni Banquet at Telstar. A good time for all.

Laura Hutchings from East Andover had supper with mother, brothers and sisters at Joe's place

Sunday night. She went up to see the baby burro.

Only a short time more for the kids be happy? But what about mother? Will she be so happy?

Kevin Smith mowed lawn for Peggy Blake one night last week. I wonder what Evelyn is up to—Going places and keeping happy I hope.

I believe graduation comes up this week end—it's a happy time and it's a sad time too. Boys and girls that have been together these years will be scattered near and far and as they part they will wonder where and when do we meet again? It's too bad more of the graduates do not attend the banquets and get together. You never know who you will meet.

Who said June was going to be dry? Got his wires crossed, didn't he? Anyway there is no cry about forest fires and maybe it will drown some of the caterpillars.

Go-Shoes had a big treat on Sunday—a trip to Linda Harrington's to see the new baby burro. Is she ever cute and pretty. A lot of people have been to see her and if you have not been to see her, go. It's sure worth a trip and Linda loves to show her latest prize.

Where is our Maud? Gosh, we miss her calls and we hope each week will bring a call from our Elsie—We miss her too.

I don't know a thing about Bear River Grange.

Weather men don't seem to be anxious to give us any sunshine so it's a case of groan and grunt and wish for better and sunny days. So keep the fly dope handy—along with your umbrella and I feel sure better days will come.

Greenwood City

Mrs. Colista Morgan, Corres.

In June us darkness approaches. I often hear bird songs, back and beyond the sound of passing cars and trucks. I sense the evening chorus of the thrashers, orioles, catbirds and robins. I think of them as just birds. Then I listen more closely and I hear what I had waited for; not quite realizing that I had been waiting. Up at the edge of the woods but dominant above the others comes, "Ay-olee. Ole-ay. Ay-olee." It's a superb contralto voice, the wood thrush. It is like the flow of water in a brook, like a soft breeze. There is no haste in the song, just clear, precise phrases. I listen again and my breath slackens, as I say "Listen, the thrush has returned!"

Across the hills and meadows there is now a summer-pageant of wildflowers with their perfume and color.

A I walked this week on one of the better days I noticed the Jack-in-the-Pulpits and the pink Lady's Slippers. This is a flower whose charm never wanes.

"Graceful and tall the slender, drooping stem, With two broad leaves below, Shapely the flower so lightly poised between, And warm her rosy glow."

—Blaine Goodale

I have found them in so many places in the woods. Once a whole row perched like birds on a decayed log, other times among the hillside rocks or on the edge of a pond. Today, a pair nodded on a shelf strewn with pine-needles. They always seem to be touched by a spirit of the woods.

I continued into the graceful maples, their misted foliage rising above the brows of the hills, like cumulus clouds.

Many ferns fringed the cracks of the rock ledges and crowded close to granite boulders that were scattered like cattle resting across pasture hills.

I paused by a stump, furry with moss and moldering away. A few dragon flies skimmed and whirled above.

Where the soil had given over to the evergreens, here and there it was an explosive flower-bed and appeared unexpectedly with a burst of color.

Coming home through Mosquito Lane there were plenty of notes with red-hot poker. I saw the trees through this gyrating mass, which kept me slapping in spite of my fly repellent.

A bit beyond I could see the pond glistening with dozens of tiny mirrors.

My three little chipmunks and their mothers greeted me on my return; their eyes bright as little chokecherries. They pattered in-

John Curtis of Olney, Mont., has been here for several days visiting with his mother and sisters and other relatives. He plans to return to Montana on June 8.

On Thursday Doris Hayes and I went to Sunday River and called on Eva and Russell Yates. When we came into our driveway Doris said as we passed under a big maple, "That tree will have to come down soon won't it?"

My answer was, "I think it's solid. It's all leaved out."

Within 20 minutes the tree fell across the driveway where we had passed. It broke at its roots. A strange coincidence! And we were lucky.

Eldith Lang, West Paris, was a caller at Fay Holt's on Sunday.

I attended the Alumni Day with Lettie Brooks at Gorham State College on Saturday. It was her 50th reunion.

Eva Felton and daughter, Kathy Curtis and son, John Curtis, went to West Sumner on Sunday to have a "cook out" with Eva's daughter, Lucy Bragg. It had to be a "cook in" as it was too wet outside.

South Woodstock

Olive Davis, Corres.

A full house with standing room only was had at the marriage ceremony of James Mason Jr. and Pamela Cannuli Sunday at 4 p. m. at the Adventist Church.

The service was very impressive with special music, beautiful decorations. Candle service was inculcated in the wedding ceremonies.

The couple will make their home on Curtis Hill. A house is being built by them.

Olive Davis was in Bridgton Saturday at Mr. and Mrs. Arthur Andrews home. Sylvia and I went to the Foster lot at North Bridgton and Mr. and Mrs. Willard Bryant's grave.

Laura Pingree and Paul Foster also have lots they visited near by. In the afternoon they visited Lillian Harmon who is in Bridgton hospital. She is having x-rays taken at this time as she has been feeling mean for some time.

The much needed rain came over the week end. Sunday forenoon we still had mist.

Esther Davis was in Carthage Saturday and decorated her parents, Mr. and Mrs. Percy Brown, graves. She drove to her daughter Patsy Tibbets, where she spent the night. Sunday they drove to Freeport and called on Jerry Troister. After having a lunch out they went to Freeport Convalescent home where they visited Velma Davis who is staying there now. They found her happy and comfortable there.

At last it has decided to rain. We got up with a downpour on Wednesday. The rest of the cloudy days, there was more mist and plain nasty weather which did nothing for the gardens. We hope the rain will do its stuff and then, clear off, so we can get at the hoeing and mowing. The grass has liked the misty weather and has grown in leaps and bounds.

Mr. and Mrs. Tom Schroer and family are expected to move in to the Frank Davis house this week. Mr. Schroer is the pastor at the Adventist Church in South Woodstock.

Mr. and Mrs. Waima Heikinen called on me the 31st in the morning.

The Clements family were in Brunswick Saturday to attend the graduation from Bowdoin College of their son, David. Miss Kathleen Hartnett from Clinton, N. Y., and Brunswick, also attended. Miss Hartnett returned home with the Clements for the remainder of the week.

Mr. and Mrs. Arthur Andrews, Mr. and Mrs. Chris Vladski and baby, Mrs. Sharon Hooven and two girls, Julie and Daphne, had dinner with Olive on Memorial Day.

The Willing Workers meeting was called off May 31 because of lack of interest and will be held

Granite Chapter #115 O.E.S. will convene for a stated meeting on Thursday, June 10, at 7:30 p. m. Beth Gardner, Associate Grand Conductress, will be present for instructional visitation. The refreshment committee is Jean McAllister and Louise Kangas.

Rick and Randy Chase were the guests of honor at a birthday party on Sunday at the home of their parents, Mr. and Mrs. Everett Chase. Also present were Mrs. Linda Chase, Ricky and Chad, Mrs. Wendy Chase, Mr. and Mrs. Nestor Ruokolainen, Lisa, Karen, Angelia and Jennifer. Mrs. Linda Chase made the birthday cake.

B.E.A.R.S., Inc.

(Bethel Emergency Ambulance & Rescue Service, Inc.)

The insquad training session was held Sunday, June 6, at the Bus Garage. Everyone worked on getting patients out of cars.

Florence Merrill and Arlene Greenleaf went to the Chiefs of Service supper in Auburn Thursday evening, June 3.

Many of the B.E.A.R.S. are starting to take their vacations. We'd like to thank all those who fill in for them while they are away. Thanks folks!

Personality Profile for this week is Edward Greenleaf, better known as Eddie. He lives on Sunset Road in Bethel with his parents, John and Arlene. Eddie has three sisters and one brother. A junior at Telstar Regional High School, he enjoys playing with the Band and most of all the Jazz Band. He participates in many different sports. Eddie has been a member of the B.E.A.R.S. for 2½ years but has worked with them for many more such as being a patient for their practical sessions, etc. He is very familiar with all that goes on with and about being a B.E.A.R. He is a very good ambulance attendant and really likes taking care of his patients. He plans on pursuing a career as a paramedic.

Safety Tip of the Week
—Home Safety

If you're repairing your personal vehicle in a garage, make sure you have proper ventilation before starting it, such as leaving garage doors open. Exhaust fumes from a vehicle in a closed-in area can be deadly as the fumes are odorless and colorless.

Letters to the Editor

To the Editor:
"A Tribute to a Job Well Done"
Last Wednesday evening (June 2) we had the pleasure of attending the Senior High School Spring Concert at Telstar. From the beginning to the end we were deeply impressed by the talent of these students, their dedication, and "class".

The Chorus, the Concert Band, and the State Champion Jazz Band gave a fantastic performance.

We wish to say thank you to Mr. Jerry Heffley, for he is the one who has directed this talent, created the dedication, and developed the "class" that these students presented to us last week.

We wish you, Jerry, and all the music students at Telstar Regional High School continued success in all your endeavors.

To the Editor:
Another school year is quickly coming to a close and the Athletic teams at Telstar High/Middle Schools have again enjoyed successful seasons. The high school soccer and field hockey teams made their respective tournaments. The boys ski team won the State Class A Ski Championship while the softball and baseball teams missed qualifying for the state playoffs by one game. The girls track team qualified seven girls for the state track meet. The middle school boys soccer team played in the league tournament, while the middle school girls softball team won their league tournament.

New policies in attendance, eligibility requirements, use of drugs and alcohol were instituted. The respective teams were also free of major injury. Many visiting teams, coaches, athletic directors, superintendents, and fans were very impressed with the caliber of play exhibited by all our teams and many positive comments were heard throughout the entire sports seasons.

Much of our success can be attributed to the support given to our Athletic teams by the S.A.D. 44 Board of Directors, administration, staff, B.E.A.R.S., Bethel Area Health Center, students, fans, and interested residents of all the towns comprising S.A.D. 44. With your continued support, our athletic programs will continue to excel.

Sincerely,
Peter J. Brown
Director of Athletics

PLEASANT VALLEY
BIBLE CHURCH

There was a good attendance Sunday to hear Pastor Bert Griffith speak at the Pleasant Valley Bible Church.

At the piano and organ were Linda Stowell and Ellen Lovejoy. The choir did "Come Holy Spirit". The special music was by Linda Stowell singing "He Didn't Lift Us Up - to Let Us Down," playing her own accompaniment on the guitar.

A large crowd was present Tuesday, June 1, to hear missionary John DeCosta.

A very special "thank you" was given Mr. and Mrs. Alfred Lovejoy for all the fine work done on the new kitchen, since arriving here May 17.

June 13, John Debrine of the radio Songtime Program will be at South Paris Baptist Church, 7 p.m.

Sunday, June 20, there will be a Father's Day breakfast at 7 a.m., put on by the ladies of the church.

OUTING CLUB SCHEDULES
OUTINGS FOR JUNE 13 & 19

The Bethel Outing Club has scheduled week end family outings for the next two weeks, starting with a mountain bike Sunday, June 13. Hikers will gather on the Bethel Common at 10 a.m., out-fitted for a day hike with picnic lunch, and will car pool to Rumford White Cap, East Andover. This activity will be guided by Dr. Wayne Gersen and is planned for all ages. Direct any questions about this activity to Dr. Gersen at 824-2479.

Saturday, June 19 is the date of the Club's first canoe/paddle outing of the season. Again the meeting place is the Bethel Common, at 8:30 a.m. to leave for Saco Pond at 10 a.m. sharp. The Saco, a gentle, clean flat water river with ample sand beaches makes an ideal choice for all ages. Swimsuits, lunches, and a proper flotation device are a must! This outing will be guided by Tim Carter. An effort will be made in advance to accommodate those who do not have access to canoes and equipment. Rain date is Sunday, June 20. Direct any questions about this activity to Tim Carter, 824-2239, or Don Angvine, 824-3343.

IN MEMORIAM

In Loving Memory of
Felicia, Bradley, Susan

Jerry and Eric
on your 3rd anniversary
June 2, 1982

Dear Felicia,

Miss you, miss you, miss you,
everything I do echoes with the
laughter and the voice of you.

You're on every corner, every
turn and twist, every old familiar
spot whispers how you're missed.

Miss you, miss you, miss you,
everywhere I go are poignant me-
mories dancing in a row without
face, substance and reality every-
where displace.

Oh I miss you, miss you, God
I miss you girl, there's a strange
sad silence mid a busy world just
as the ordinary daily things I do
I wait for you expectant for a
word from you. Miss you, miss
you, miss you, nothing now seems
true only that 'twas heaven just to
be with you.

Love to you all
Grampa, Nana, and
all of Felicia's Family

BETHEL RED SOX WIN OPENER

Chris Keyes capped off a five-run third inning with a home-run over the left field fence as the Bethel Red Sox went on to defeat Rumford Point 10-5 in the opening game of the season.

The scoring began in the first inning as Brant Remington singled and circled the bases on wild pitches. The score remained 1-0 through the first two innings until Rumford Point took the lead 3-1 in the top of the third. But singles by Nathan Bean and Jimmy Merrill, walks to Jeff Lyons and Brant Remington, and the home run by Keyes put the Red Sox on top 6-2 at the end of three innings. The Red Sox added four more insurance runs in the fifth. Jeff Lyons led off the inning with a walk and Mike Thompson reached on

an error. Shannon Sumner then doubled in Lyons and Thompson, then a walk by Randy Coulombe and singles by Mike Bennett, Rodney White, and Brant Remington produced two more runs and the Red Sox led 10-2.

With two outs in the last inning and nobody on base Rumford came up with four singles in a row off pitcher Brant Remington and Mike Thompson came on in relief to strike out the last batter and end the Rumford Point rally.

CHURCH SAYS "IT TAKES

SPIRITUAL COURAGE TO FACE

WORLD'S DANGERS"

Christian Scientists from around the United States and from many countries overseas heard the church's leaders appeal June 7, for greater attention to spiritual courage in the face of the world's present dangers.

"We face threats of conflict and the brutality of conflict," acknowledged Michael B. Thorne, Chairman of The Christian Science Board of Directors at the denomination's 87th Annual Meeting in Boston.

"There is a great yearning throughout the world for the elimination of nuclear dangers. The only answer to this yearning," he said, "comes from an understanding of God and divine power. It unfailingly guides thought and action toward solutions not yet seen."

Several thousand members of The First Church of Christ, Scientist in Boston were present for the meet which included three inspirational sessions as well as reports by church officers on the group's publishing, membership and informational activities. The Church was reported free of debt and details were given of expanding "secondary" use of its newspaper, "The Christian Science Monitor," through print and radio syndication and, in a television news format test program.

Mr. Thorne told members: "Christianism, has its work cut out for it in these times. And Chris-

tian Scientists must do their part with courage, wisdom, and much love."

Dorothy E. Klein, a practitioner and teacher of Christian Science from Boston, was named Church President for 1982-83. She told members it was time to meet the challenge of materialism through "cherishing spirituality and guarding individual integrity of thought."

Since September Crescent Park School has been collecting Fun 'n Fitness seals from Post Cereal boxes. The seals can be used towards points to get free athletic equipment for the school.

Under the management of Shirley Merrill's third grade nearly 4,000 points have been received so far. With the school year drawing to a close all seals will be collected before the deadline of July 5, 1982.

You'll be informed in the fall what the students got for equipment from this year's fun 'n fitness campaign.

Mr. and Mrs. Ronald Thurston, Arundel, spent the week end with his mother, Mrs. Mary Thurston. The Moloket Mixers had a banner raid to the Paper Town Pacers in Berlin, N. H., on Saturday night to get their travel banner back. Fourteen couples went. Those from Andover were Norman and Freeman Farrington, Polly and Dick Johnston.

Rev. Rust was supper guest of the Richard Johnstons on Sunday evening.

The pupils in the 1st and 2nd grades accompanied by their teachers, Miss Carol Stuart and Mrs. Victoria Meisner went on a field trip to the Andover Fire Station. They had a tour of the fire house, looked at and were told about all the apparatus. Then they were given a ride back to the school house on the fire truck. A big thrill for all. Tuesday the same group visited the Andover Post Office.

The pupils of Mrs. Joyce Morgan's room recently went to Portland on a field trip along with their teacher. They went to the Children's Museum and the Planetarium on the University of Southern Maine campus. Mrs. Colleen Jaros, Mrs. Sandra Clements, Mrs. Loretta Huston, Mrs. Elaine Morton, Mrs. Carol Littlehale, Mrs. Judy Michaud and Mrs. Nancy Wardwell accompanied them on the trip.

Farewell Gathering for Mrs. Bell Violet Swain opened her home on June 2 for a farewell party for Evelyn Bell, who was to leave June 5 for Zanesville, Ohio, to reside. Mrs. Bell has been president of the East Andover Community Club for the past seven years, librarian at the Andover Public Library; Assistant clerk for the First Congregational Church, and editor for the monthly "Country Church Courier," better known as the Newsletter, of the First Congregational Church.

brought back a load of his furniture. He will be coming for good in a few days and he is getting anxious. We also called on Joe's niece, Kathy Gromiko and family at Hopewell Jct., N. Y. We got home at 3:30 in the morning and the moon followed us all the way home.

Doris Lawrence and Mildred York went with Ellen (Burns) Coffin to the W. H. S. Alumni banquet at Telstar cafeteria on June 5. The Vatchers also went, it was the 55th year for Evelyn and she was the lone member of her class. Eva Yates accompanied several of her children to the banquet, but I honestly think that she was trying to keep up with me, even if she is my cousin, but I keep my Go-Shoes handy and can get into them in a flash. It's better to be with the children than to sit home waiting for them, and they enjoy taking her with them. Hang in there Eva.

Mr. and Mrs. Joe Kalinowski, Mrs. Rhoda Vatcher and Mrs. Doris Lawrence attended the Senior Citizen's dinner and meeting at the Legion Hall, West Paris, on June 1. They reported a good attendance and a good dinner.

NEWS FROM ADULT AND COMMUNITY EDUCATION

— M. S. A. D. #44

The S.A.D. 44 Adult and Community Education Graduation, which occurred on Tuesday, June 1, marked the official end to the 1982-83 program. However, there are aspects of the program which continue throughout the summer. Several adults who are working for their high school diploma are planning to do External Credit Option projects over the summer for additional credits. The Adult and Community Education office has assisted other adults who are interested in summer study to find courses in the area, such as those being offered in Rumford by University of Maine at Farmington. Several others have purchased or borrowed learning materials from the adult and Community Education program for non-credit independent study to brush-up in such areas as accounting and shorthand.

The planning process for courses for the fall term is in full-swing, and anyone who would like to teach a course, or who has a suggestion to offer for programs or courses is urged to contact Director Cathy Newell at school, 824-2136, or home, 824-2089. Some exciting suggestions to date have been an automotive seminar for women, taxidermy, hunter safety

for teens and adults, as well as the return of some perennial favorites. In some cases, the search for a qualified instructor can be prolonged, so suggestions should be made as soon as possible.

Norman Rust, the newly-appointed minister of the Andover Congregational Church, has been added to the Adult and Community Education Advisory Council. Other members of the Council are needed to join those already in place from the District towns. Council members assist in planning, publicizing, and in actually running many of the courses offered. The time commitment may vary with some members acting primarily as liaisons to other groups, and other members being very closely involved with such activities as printing the brochure, visiting classes, etc. Formal meetings of the Council are held every other month throughout the school year. Anyone wishing to volunteer to serve should contact Cathy Newell.

PROMOTING HEALTH - PREVENTING DISEASE

In recent years medical care has undergone a great deal of change, some of which has a great impact upon the health of individuals. The change from the solo "family doc" to the group practice or to a community health center has been a common occurrence in both urban and rural areas.

The Bethel Area Health Center utilizes the skills of a team of medical professionals. Among them are a family practitioner, a physician's assistant, an elderly services coordinator, childbirth preparation class, a diet support group plus counseling for substance abuse problems.

The center also makes referrals when necessary to other health and social services in the area. The center co-ordinates care with Androscoggin Home Health Agency, Child Health Conference, WIC services and Tri County mental health.

The Health Center hopes to provide care which meets the needs of area residents and reduce the need for long distance travel to receive quality medical care for family members.

RIGHTSTART RESOURCE DAY POOLS INFORMATION ON AVAILABLE SOCIAL SERVICES

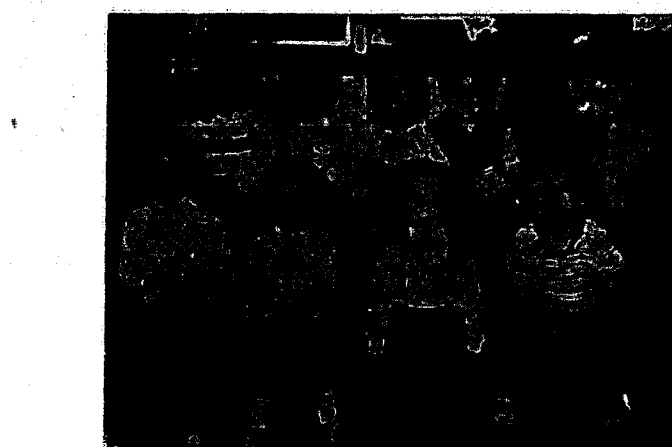

On Saturday, June 5, Rightstart sponsored a resource day at Oxford Hills High School in South Paris to pool information on available social services in the Oxford Hills area.

Each agency represented was asked to fill out a form describing their services in the effort to ascertain what services were still needed and to try to fill those needs. Rightstart will compile a catalogue from the forms to be distributed throughout the community, so that everyone is aware of what is available to them locally.

Each agency set up display tables with informational pamphlets, pictures, and posters depicting their programs. Sue-Ellen Meyer of Cornerstone showed slides on the program made about the progress of three children at her agency.

"I feel that agency interaction is very important," states JoAnne Walters, RSVP area coordinator, "by helping each other, we save a lot of time which is then spent assisting more people in the community. As a matter of fact," she continued, "RSVP volunteers are serving in almost every non-profit organization within the community."

Among the many agency representatives were Peggy Wolfe of YMCA, Debbie Damon of Headstart, Pat Cummings of Tri-County Mental Health, Sue-Ellen Meyer of Cornerstone Childcare Center, Linda Haegle and Mark Schuster of Oxford County Community Services, Connie Allen of Rightstart, Verna Swan of Western Older Citizens Council, and Claire Roger-Ancill and JoAnne Walters of RSVP.

ers in the past. These historical perspectives were concluded with the reading by Mr. Perkins of recollections of Mason Street by Miss Emeline Heath who lived on the street while attending Gould Academy in the 1920's.

Following the Mason Street portion of the program, a brief film "Mast Making for the King" was shown. Here was demonstrated the process of selecting a mast tree (more than 25 inches in diameter one foot from the ground), preparing the bed, building the platform for choppers, felling the trees and, haphling the 80 foot log with many yokes of oxen. More than any other colonial industry, mast-making shaped the development of northern New England. It provided employment for many of the area's earliest settlers and contributed to the growth of coastal cities as major centers of trade. It marked the beginning of the logging industry, which has played an important role in the economy of New Hampshire and Maine ever since.

Prior to the program a short business meeting was held with President Donald G. Bennett thanking everyone who made the Faye Taylor Art Show, the Moses Mason Birthday Party and the hosting of the Maine Old Cemetery Association such successes.

President Bennett also announced that the artifact of the month was a wooden sugar bowl believed to be one of the first brought to Bethel by an ancestor of the donor, Miss Evelyn Gammon of Norway.

The President announced that the next meeting will be a joint one with the Waterford Historical Society. This will be a picnic lunch meeting followed by a tour of the Waterford Society's two museum buildings.

BETHEL SELECTMAN NAMED TO SERVE ON MMA SPECIAL TASK FORCE

Dana Connors, President of the Maine Municipal Association (MMA), has announced the appointment of an area municipal official to serve on a special task force for property tax relief. Patricia Doone, a member of the Bethel Board of Selectmen since March of 1981, will serve on the 18 member Property Tax Relief Task Force which will meet throughout the summer and fall to investigate various alternative measures for property tax relief and develop strategies for their enactment.

Barbara McKernan, City Councilor from Bangor will be chairwoman of the Task Force comprised of elected and appointed municipal officials from throughout the State. The MMA task force will focus on one or two property tax relief proposals and develop a comprehensive strategy to gain passage of the measures in the upcoming 111th Maine Legislature. MMA President Connors said that "MMA views the 111th's first legislative session as a prime time for debate and enactment of major property tax relief measures. Municipalities cannot continue to absorb federal cuts and policy changes without drastically cutting services or increasing taxes. Local reliance on the property tax has to be reduced by increasing the local share of state resources."
